For 2020, all games are to be held on turf fields making rainout unlikely. Therefore no rain out dates have been scheduled.

6. PLAYERS/TEAMS

Players on participating teams must be properly

registered to play in AYSO for Fall 2018 or Spring 2020. Coaches are responsible to ensure that all players meet eligibility requirements. The Presidents Cup event is open to only AYSO players/teams registered within the Blue Sombrero system.

GotSoccer tournament roster changes are allowed until February 1, 2020 for 10U/12U/14U.

Up to three (3) guest players will be accepted for this tournament. A "guest player" is a player not registered in the teams sponsored Region.

Divisions 16U and 19U will play 11-v-11 with a maximum roster size of 18 players per team.

Division 14U will play 11-v-11, and there will be a roster limit of 15 players per team.

Division 12U will play 9-v-9, and there will be a roster limit of 12 players per team.

Division 10U will play 7-v-7, and there will be a roster limit of 10 players per team

All players must play at least 50% of each game, with quarter subs for 14U and below and monitored substitutions for 16U/19U. Games that go into overtime, do not have any playing time limitations.

Violation of these player rules exposes a team to protest and renders them subject to forfeiture of game, points deduction, and/or possible disqualification at the discretion of the Tournament Director.

7. COACHES

Each team must have and is limited to two coaches – one Head Coach and one Assistant Coach. These coaches must be the ones listed on the Official Team Roster in Blue Sombrero.

Each Coach must be a currently registered adult (18+)volunteer, Safe-Haven certified, and AYSO trained at the age-appropriate level.

Coach and Safe Haven Certifications are required to be uploaded to GotSoccer.

For instructions on how to get access to, and upload the Coach and Safe Haven Certifications, please go to www.2jpresidentcup.com and select the tab Forms/Docs.

Coaches are expected to set the example for their team in exhibiting proper AYSO behavior and Kids Zone behavior. Coaches are expected to remain in the technical area during games and only enter the field of play as requested by the referee.

In accordance with FIFA and AYSO laws, the referees have the ability to give the coaches yellow cards for the behavior of the spectators associated with their team or inappropriate behavior by the coach. If the behavior continues, coaches or spectators can be ejected from the facility and the team may be faced with penalties.

8. REFEREES

Each team in the tournament is asked to provide a crew of 3 referees. These referees will be assigned up to 3 games (or 9 game slots), based on their qualifications. The Tournament Referee Administrator will assign / re-assign all referee teams. Some games and referee slots will be open to self-select.

All referees must be an AYSO registered and trained volunteer and be Safe-Haven Certified and a minimum Regional level certification,

Only the diagonal system of control will be used to referee the games. A 4th Official is commonly used at most Presidents Cup games to support substitution policy and sideline control.

Center Referees for 16U/19U games must be at least Advanced referees, but preferred National or National Candidates.

Center Referees for 14U games preferred to be at Advanced level or above.

Center Referees for 10U and 12U games preferred to be at Intermediate level or above.

All referees must be in full uniform as defined by AYSO and USSF, including the Referee Badge. Referees not in uniform will not be permitted to referee games. There will be no Referee Deposit for the 2020 President's Cup tournament, but it is expected that all teams will provide a referee crew.

Referees are expected to check in at the Referee Station at least 30 minutes prior to their assigned game. Failure to appear on time may result in a replacement referee crew being assigned to the field. Once a replacement crew has been assigned, they will have priority and the original crew must report to the Referee station for alternative assignment.

Coaches and players in the tournament will not be allowed to referee games in their own divisions. Referees will be expected to uphold the tournament rules, AYSO Rules and Regulations and FIFA laws. Any failure of the referee to uphold these rules may be cause for dismissal from the tournament.

The AYSO No Heading policy will be observed at the 12U and 10U Division level.

The AYSO Player Development Initiative for 10U will be used to cover no punting and no heading will be allowed. Additionally the use of a "build-out line" will be in effect for 10U division.

9. FIELDS

For 2020 Twin Creeks Sports Complex will hold the 10U /12U/14U matches. All fields are turf and will be set up and taken down by the tournament staff.

Trash cans will be provided at each field. Teams will be expected to clean up all trash in their area before leaving.

Please observe the Facility Use Rules while attending the tournament that are posted to the website for each field. Other services (such as portable restrooms, First

Aid, etc) will be made available when possible.

There will be NO gate fee at Twin Creeks for the 2020 tournament.

10. **FORMAT**

This is a pool-play tournament.

Each age division will be bracketed into playing pools. Each team will play a minimum of 3 games. More games can be played and game time adjusted, if the number of teams and available field time slots afford the extra games.

A typical 8-team format would have 2 pools per division, with 4 teams in each pool. In a typical 8-team format, the team with the highest points per pool will advance to the championship game. Teams with the second highest point total will advance to the consolation game. 5th – 8th place games may be made available.

Pool Format and Playoff format are subject to change at the Tournament Director's discretion based upon the available team / times / playing fields / and other factors as appropriate. The final format for each division will be provided to teams / coaches / parents via www.gotsoccer.com.

The President's Cup philosophy is to provide more games than the minimum 3, if possible.

Player injury due to excessive playing time is considered in all division formats. Game durations will be adjusted to reduce the risk of injury due to exertion level.

11. **CHECK-IN**

Failure to produce these documents upon request will result in a forfeit of previous or future games, and/or a point deduction from pool play.

If documents cannot be produced before a team competes in its next scheduled game, disqualification of the team or of the individual player(s) from the tournament will occur.

Coach / Referee Conference Calls:

Approximately a week before the tournament weekend, a mandatory conference call will be held to allow coaches to review the tournament rules and ask questions.

A referee conference call will also be held, to provide tournament updates, and any modifications to all participating referees.

- Players must be in full AYSO uniform and ready to play.
- Laminated Blue Sombrero Player/Coach Cards must be presented for all players included on the GotSoccer tournament roster.
- An equipment safety check will occur at this time.

All players, the Head Coach, and the Assistant Coach are required to have a Laminated Player/Coach ID Card, generated by Blue Sombrero. The Card must include the player's/coach's name, AYSO ID# and a picture. The Player/Coach ID Card must be signed by the Regional Commissioner.

Referee Game Cards (also called Line-up Cards) will be generated by the tournament staff, with the players listed by first name-last name in jersey number order. This will be based upon rosters entered into the GotSoccer Website, finalized 1 week prior to the tournament division weekend. **Coach do not generate line-up cards.**

During Check-in, all players listed on the game card must have their Player ID Card present, even if there is an expectation that one (or more) might miss a scheduled game.

During the tournament, a late arriving player(s) must be escorted to the check-in station by a team official along with their Laminated Player ID Card and be cleared by the Tournament Staff before participating in any games. A player arriving after the game has started may only enter the game under the Center Referee's discretion.

12. FIELD MARSHALS

There will be a tournament Field Marshal assigned to each field/Division, and will report to the Tournament Director. Field Marshals will check-in teams prior to each game, and present the verified game cards to the match referees.

At the conclusion of the game, the match referees must return the completed game cards to the Field Marshall for scoring and tracking as needed. If possible, runners will attempt to collect game cards from the fields but if not referees should give the game cards to the Field Marshall immediately after the game concludes.

Field Marshals will be the first to respond to any incidents or injuries, and will be in contact with the rest of the tournament staff by radio or phone. Tournament participants are encouraged to report any concerns immediately to the Field Marshall, and also to respectfully follow any instructions given by the Field Marshall.

13. GAMES

Pool play games will consist of two halves where the length is determined by age group as well as a five minute half. (See the chart below for game lengths for 2020)

Depending of total playing time over the tournament, 10U division game times may be lowered to prevent player injury due to exhaustion.

There will be a running clock during the match including substitutions. Time may be added by the Center Referee for injuries or time wasted in qualifying rounds. Games will expect to end on time, and may be shortened if they started late. Pool play games may end in a tie.

Each coach is urged to have their team ready at the start of each half and to conduct substitutions in as expedient a manner as possible

Consolation and Championship games will be played until there is a winner (see Medal Round rules below).

Division	Pool Play / Medal Round
10U:	20 minute half
12U:	20 minute half
14U:	20 minute half
16U/19U:	30 minute half

Game Duration may be changed when the final schedule is posted on GotSoccer by the Tournament staff or Field Marshall. The President's Cup tournament intends to provide as many games as possible, thus Game duration may change to accommodate more games and more overall playing time.

The "home" team will be the first team or top team listed on the game. The home team will change jerseys or don pinnies in the event of a color conflict with the visitor team. If any questions, the referee will determine whether this is necessary. Game balls will be provided by the tournament staff.

There will be no defined "warming up" on the field. Teams must warm up prior to taking the field. As soon as

the previous game has ended, teams must clear the field and the teams for the next game must take their places.

BLOWOUT: 1 point deduction for every goal beyond 5 a goal differential

FORFEITS: Teams must check in at the designated Tournament Table 30 minutes prior to the start of the game. There will be a five-minute grace period at the start of the game for a team to take the field before a forfeit is declared.

The minimum number of players per division is 10U – 5, 12U – 6, 14U **16/19U – 7 players to continue a game**. If a team cannot field the minimum number of players before or during play, the game will be abandoned and a forfeit will be declared.

The score for a forfeit match will be 1-0 for the remaining team (See STANDINGS for the points to be awarded). If that results in a favorable outcome for the forfeiting team, the Tournament Director or her designee, may assign a different score in line with the overall philosophy of the tournament. If a “Double-Forfeit” occurs, no points will be awarded to either team.

14. **SUSPENDED GAMES:**

The Tournament Committee may determine to end matches early if field schedule is behind due to game delays, interference, or if weather conditions provide unsafe conditions; and may distribute awards according to games played and points. The Tournament Committee will determine the outcome of any single game which is terminated prematurely (due to inclement weather, participant injury, or interference by outside party, etc.).

15. **ABANDONED GAMES:**

If any pool play games cannot be played due to circumstances beyond the control of the tournament, the final standings of the pool will be determined by applying the Winning Percentage formula (Total Points Earned in all Game Played divided by Total Points Possible for the Number of Games Played) to each team in the pool. Note: This does not apply to games which were shortened due to a late start. Only the Tournament

Director or her designee can declare a game to be abandoned or not played.

16. **SUBSTITUTIONS**

All substitutions must be approved and recognized by the referee.

For 14U and below:

* For 20 minute or more halves, substitutions shall be allowed approximately mid-way through each half for all divisions, and will be recorded on the game cards by the referee.

* **For 16U/19U:**

Substitutions by either team may occur at any stoppage of play at the referee's discretion. Substitutes must be at the halfway line and ready to enter. Time monitoring will be done to confirm 50% of playing time.

Substitutions may be made for injured players; however, they may not return until the beginning of the next quarter and will be considered as having played the current quarter (exception: an injured player who is not replaced, may return to play at any time with the referee's permission).

Substitutions in overtime periods of medal round matches will be at the beginning of each period only.

No substitutions on corner kicks or free kicks will be allowed for tournament play. Time monitoring will be done to confirm 50% playing time.

There is no maximum Play time for Goalkeepers in any division.

17. **STANDINGS / SCORING**

Standings for pool play games will be determined on a modified “ten-point system” as follows:

WIN	= 6 points
TIE	= 3 points
LOSS	= 0 points
GOAL	= 1 point per goal up to a maximum of 3 per game

SHUTOOUT = 1 point for a shutout
FORFEIT = 8 points (scored as a 1-0 win)
*See note on GAMES/FORFEITS.

RED CARD/
EJECTION = 2 point deduction for team
(includes 2 points for each player, substitute, or coach)
BLOWOUT = 1 point deduction for every goal beyond 5 a goal differential, (Own Goals are not included.)

Winners of ties in the standings will be determined in the following order:

- Head to Head competition
- Most number of wins
- Goal differential (goals scored to three per game less total goals allowed; highest differential advances)
- Goals allowed
- Least number of sportsmanship point deductions (1 point per misconduct, 1 point per spectator incident, 1 point for blowouts of more than 5 goal differential)
- Kicks from the Penalty Mark or Coin Toss if teams are not available.

There will be a continuous point deduction for each goal for teams that win by more than a 5 goal differential. Standings will be updated hourly at the Tournament Scoreboard or on the GotSoccer website. The deadline to challenge the posted results will be at the conclusion of Pool Play.

18. **ADVANCEMENTS**

In the typical format, the team with the highest points per pool will advance to the championship game. Teams with the second highest point total will advance to the consolation game on Sunday afternoon. Additional 5th-8th place games maybe scheduled depending upon field availability.

The final advancement format will be published upon the GotSoccer website, and reviewed at the mandatory Coach meeting before the tournament.

All elimination matches that end in a tie at the end of regulation play, will immediately go to FIFA Kicks from the Penalty Mark. There will be no overtime periods or additional time.

All spectators must remain behind the control line and between the 18-yard lines (penalty areas in small fields). Two coaches maximum per team, and they must remain in the marked coaching area (within ten yards either way from halfway line).

At the conclusion of each match, the referees will indicate on the reverse of the game cards any point deductions for poor sportsmanship. Point deductions will be used as tie-breakers should that become necessary.

Referees will be required to complete a game misconduct report for all misconducts during the game, as well as any incidents of interference by spectators. Any coach or spectator ejected must immediately leave the vicinity of the playing field (out of sight and sound) and will be prohibited from attending the next scheduled game. Any player sent off (red carded) must immediately leave the vicinity of the game (under supervision of his/her parent or Safe Haven-certified adult), and may not return to the field of play during the current game, including for the post-game handshake, and may not be substituted for, and is suspended from participation in the next game. An alternative for 14U and below, the player may stay on the sideline under the supervision of the coach. There will be penalty point deductions for all send-offs (see Standings / Scoring rules).

Any violent conduct red card or ejection may result in that

player/coach/spectator being barred from the remainder of the tournament under the discretion of the Tournament Director.

If it is determined that an ineligible player has participated in a game, the team will forfeit all games in which that player participated illegally. Furthermore, if it is determined that the coach knowingly played a player illegally, that coach will be barred from further participation in the tournament.

It is mandatory to play a scheduled game. If it is determined that a coach willfully fails to have his team participate in a scheduled game, the coach will be dismissed from the tournament and the incident will be reported to the respective Regional Commissioner.
